Sir:

Responsive to the Notice of Non-Compliant Amendment of May 20, 2005, kindly amend the above identified application, as follows. In reviewing the claims, it was noted that a typographical error occurred in the numbering of the claims. Claims 42 and 43 appearing in the earlier Amendment have been correctly renumbered to claims 41 and 42. No other changes have been made to the claims.

The inconvenience to the Office in connection with the forgoing is regretted.

Amendments to the Claims are reflected in the listing of claims that begin on page 2 of this paper.

Remarks/Arguments submitted in connection with the amended claims are found in the Amendment filed May 4, 2005. Substantive consideration of that Amendment is now respectfully requested.
